

GO REMOTE TAKE THE BACKTRAX

BACKTRAX
SPORTS UTILITY ROOFTENTS

Backtrax Sports Utility Gear is Australia's first designed and built remote control opening and closing hard shell roof top tent.

The Backtrax is the lightest unit on the market with the ability of fitting most 4WD and SUV vehicles. Vacuum infused fully composite shell, large double 110mm dual layer foam mattress, midgee and mosquito screens and easy to use telescopic ladder makes this roof top tent a must for your next camping trip!

* Available in 2 colours white and graphite grey **Optional Roof Racks and Redwing Door Awning

WITH CLASS, LEISURE AND COMFORT IN MIND.

Whether it is packing your 4WD for a lap around Australia or the SUV with mountain bikes, surfboards or towing a boat for a weekend getaway, Your Backtrax Roof Top Tent (RTT) has all the creature comforts to enjoy a hard earned good nights sleep.....
